

# Framing gender inequality across Europe

Framing gender inequality across Europe:

Challenges for gender mainstreaming

International conference in the framework of the MAGEEQ project & Policy frames and implementation problems: the case of gender mainstreaming

Berlaymont Building (Room S2-50), rue de la Loi, 200

Brussels, November 9th 2005

The conference presented the results from the MAGEEQ project to a larger public of policy-makers, politicians, feminist activists, NGOs and academics in policy sciences and gender studies, with an eye on potential implications for future policy making
