# European Articulations of Gender Inequality

European Articulations of Gender Inequality  
10-11 June 2005

IWM,  
Spittelauer Lände 3,  
1090 Wien

The seminar presents the results from the MAGEEQ project, with a focus on theoretically and methodologically interesting outcomes and their relevance for further research. Members of the MAGEEQ team are presenting the findings from Austria, Greece, Hungary, the Netherlands, Slovenia and Spain.
